

Woman's Danger Periods Made Safe

By Lydia E. Pinkham's Vegetable Compound

The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease.

Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Here is proof:

Natick, Mass.—"I cannot express what I went through during the Change of Life before I tried Lydia E. Pinkham's Vegetable Compound. I was in such a nervous condition I could not keep still. My limbs were cold. I had creepy sensations and could not sleep nights. I was finally told by two physicians that I had a tumor.

"I read one day of the wonderful cures made by Lydia E. Pinkham's Vegetable Compound and decided to try it, and it has made me a well woman. My neighbors and friends declare it has worked a miracle for me. Lydia E. Pinkham's Vegetable Compound is worth its weight in gold for women during this period of life. If it will help others you may publish this letter."—Mrs. Nathan B. Groaton, 51 No. Main St., Natick, Mass.

ANOTHER SIMILAR CASE.

Cornwallville, N. Y.—"I have been taking Lydia E. Pinkham's Vegetable Compound for some time for Change of Life, nervousness, and a fibroid growth.

"Two doctors advised me to go to the hospital, but one day while I was away visiting, I met a woman who told me to take Lydia E. Pinkham's Vegetable Compound. I did so and I know it helped me wonderfully. I am very thankful that I was told to try Lydia E. Pinkham's Vegetable Compound."—Mrs. Wm. Boughton, Cornwallville, N. Y., Greene Co.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as those above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

By a little "Sherlock Holmesing," a chicken thief was caught at Salisbury last week in the person of Did Page, a negro. A board was loosened on the chicken house on the premises of J. A. Taylor and Mrs. Taylor missed two chickens. The marshal was notified and located the chickens at the negro restaurant in that city. Did was brought to Keytesville and lodged in jail to await trial at the February term of court. He will no doubt receive a prison sentence, as chicken stealing amounts to a penitentiary offence now.

The pupils of Macon high school learned yesterday that their classmate, Raymond Mayers, a senior, and Miss Catherine Holman, 18, a junior had been married at Shelbyville three weeks ago. The students undertook to give the happy couple a joy ride in honor of the event. The boys got the bridegroom in all right and pulled him around town, but when the girl undertook to do the same with the bride, she resisted so stoutly that the festivities had to be abandoned. Neither Mayers nor his sweetheart had been absent from school a day, and after their marriage they kept along with the classes so steadily that no one suspected a wedding until somebody over at Shelbyville talked to Mayers about getting a certificate to teach school when he graduates this spring.—Moberly Democrat.

William H. Davis, who killed Wade W. Coulter of Chillicothe, an employee of Swift & Co., at the Davis home in St. Joseph, last October, is not to be punished. He will be arraigned in criminal court, probably Monday morning, permitted to plead guilty to a man-slaughter charge, be sentenced to two years in the penitentiary, and then be paroled. The killing of Coulter was premeditated, if what the witnesses say is to be credited. Coulter was a frequent visitor at the Davis home. Mrs. Davis' husband objected at times, but it seemed that the differences between the men always were adjusted, and the Sunday evening when Coulter was shot by Davis, it was not believed that there was any bad blood. Coulter had been invited to the house by Mrs. Davis and friends, and the party were seated together when Davis came home. He greeted the visitors, went into a room, picked up his pistol, returned and shot Coulter without a word.
